

**HEY KIDS,
IT'S TIME TO DO OUR—MOON CHARTS...
PARENT'S WATCH OUT!!!
CAUSE THERE IS NO DOUBT---
WHEN THIS CHART COMES OUT,
THE MOON'S—NO WHERE ABOUT...
GET OUT THE SHOVEL'S, THE SALT, THE UMBRELLA'S...
THE ONLY MOON YOU'LL SEE---
IS THE ONE, ON THE CHART.....
GO AWAY CLOUDS---WE CAN'T SEE...
NEW, CRESCENT, QUARTER, WANING, WAXING---
OR FULL MOON'S??
HOW CAN THIS BE?
WE HAVE—HOMEWORK—YOU SEE???
DR. DEINES, PLEASE DON'T FROWN...
WE'LL GET TO SEE,
THAT MOON,
COME AROUND.....**
